

I ENDED UP WASTING MY TIME

BY SELLING MY HOME PRIVATELY

I hadn't realized that selling my home privately meant that I would have to familiarize myself with all of the **legal aspects**. Since I am not a legal expert, I had to read numerous, often complex documents on the laws governing the sale of a property. I had to fill out several documents that the notary deemed invalid.

A real estate agent would have given me the proper advice and I would have closed the sale at the notary's office.
