

**I ENDED UP
WASTING MY
TIME
BY SELLING MY HOME PRIVATELY**

I hadn't realized that selling my home privately meant that I would have to plan and coordinate all the showings. I had to show my home to several people, and many of them simply came out of curiosity. On a number of occasions, **I had to take the afternoon off work – without pay** – to show my home and review purchase offers.

A real estate agent would have recognized the serious buyers and carefully reviewed the purchase offers.
