

I ENDED UP
**LOSING
MONEY**
BY SELLING MY HOME PRIVATELY

I hadn't realized that selling my home privately meant that that I would have to disclose all minor problems with my property to the buyer. I unknowingly failed to meet all my legal obligations. I'm now faced with a much bigger problem: I have to defend myself in court against an accusation brought against me by the buyer.

A real estate agent would have given me the proper advice and I would have avoided all this trouble.
